

Happening from 22 May to 9 June, flip over for details!

EAE@SP

“
Securing a place in SP,
via EAE, is a dream come
true! I truly enjoy my time
in class and cannot wait to
specialise in engineering design
and simulation. With SP, I
know I am just steps away
from achieving my dream of
becoming a product engineer!”

“
When Kelly applied for
SP's Diploma in Mechanical
Engineering, through the
Early Admissions Exercise
(EAE), I knew she inherited
our family's love for
engineering. I am happy for
Kelly to follow my footsteps
and pursue her dream course.”

Mr Tay Boon Kee
(Kelly's father),
SP Alumnus,
Diploma in Mechanical
Engineering (DME),
Class of 1989

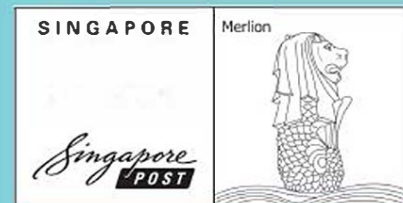

Kelly Tay
SP Scholar,
Diploma in Mechanical
Engineering (DME)
