Breaking New Frontiers

NOVEMBER 2020

Dear Parents and Partners,

In January 2021, we will be greeted with new school uniform. This change is a result of consultation with students, staff and parents to introduce material that can enhance learning in our warmer classrooms and maintain the school decorum.

Every secondary 2 to 5 student will be provided with two new sets of school uniform to be worn on Mondays and Tuesdays of each week. Students can wear the old school uniform or the new school uniform on the other days of the week.

All students have to purchase a set of the new PE attire, which will be worn during school events. By 2022, only the new uniform and PE attire will be allowed in school and school events.

Students can order the school uniform and PE attire online through the uniform supplier's website and collect from Ping Yi Secondary School on the dates listed below.
