

## PARTNERS' CONNECT | Ping Yi Secondary School

# Welcome to Term 4!

September 2020

Dear Parents and Partners,

Have you taken advantage of Phase 2 of the circuit breaker to do all the things you missed doing? At Ping Yi, we are happy to engage our students while observing the safe distancing measures. The new normal can be just as enriching. Thank you for your continued support for our students.

## Racial Harmony Day

On 17 July, students came to school decked out in their colourful ethnic costumes to commemorate Racial Harmony Day.

They had meaningful discussions on race and engaged our panel of teachers virtually.

We also honoured the unsung heroes, our school attendants and cleaners!

# Singapore Went to the Polls @Ping Yi

Students learnt about Singapore's political system via a virtual presentation.

Ping Yi was also one of the polling and counting stations at the General Elections. We are proud to play our part in upholding one of the tenets of democracy.

## National Day Celebrations

Ping Yians wore red to celebrate our nation's 55<sup>th</sup> birthday. This year's celebrations were even more meaningful in light of the challenges we currently face.

Our students joined the National Day parade put up by the Student Council and members of the uniform groups virtually.

We sang along to our favourite National Day songs via a virtual live performance by our talented teachers.

You should have heard us. We were loud and proud!

We also took home our very own Ping Yi face mask as a souvenir, another meaningful reminder to play our part in keeping our nation safe and healthy.

Our students' enthusiastic participation in the activities show that they resonate with the NDP's message of Together, A Stronger Singapore!

# Congratulations!

We are proud of our teachers who were awarded National Day Awards.
